

# 14" Scaffolding 4 Piece Set Outriggers With 4 Casters

- 4 Pieces for use with GSSI
- Includes 4 Pieces Dual Locking 4-Inch Swivel Casters
- Durable Powder Coat Paint Finish
- (Total working area is 18" when caster is extended outward)

(One unit weighs 4.85 lbs without casters)

This unit is helpful to those who wish to add extra support to the GSSI as one-level. Slightly smaller in dimension, and lighter in weight, the consumer can continue to use the GSSI casters
