

Large

Restraining Cone

Stainless Steel

- For birds up to 26 lbs
- 201 Stainless Steel
- Cone Size 20" x 11" x 15"
- Top Opening Size 14" x 11"

Butchering cleanup is easy and ethical when using this restraining device. Galvanized steel cone is rust resistant and features pre-drilled mounting holes. Hemmed seams and edges provide increased durability.

Restrain your bird throughout the process. Use with chickens, pheasants, ducks, quail and more.
